C D D.S.

triev - ing — your - self. —

3. Am D G D Em Hm

Long De - cem - ber nights.

Am D G

Long De - cem - ber nights.

Morning brings you nature's wonders,  
 as the daylight wins the fight.  
 In the deep snow grows a flower.  
 Everything's gonna be all right.

In the darkest situation  
 you can catch a glimpse of light.  
 Let me take you deep within with  
 Everything's gonna be all right.

'Coz a long December night ...

'Coz a long December night ...
