Vers 1:

Hm G A D
Now my diamond's clouded over where - it used to shine like light,
G Em Hm
And the day keeps running faster, Into the arms of night...
Hm G A D
The stitches on the tapestry say, "Everything in time,
G Em F#
Will find it's way home again", but I'm tired of crying...

Refr.:

Em Hm Em Hm
No Second Chances, don't knock on my door
Em D F# Hm
There won't be any answer, I won't be here no more
Em Hm Em Hm
This house we had together, might still be in its place
G Em |F# | |
But the rest of this is much too hard to face,
|Hm
There'll be No Second Chance...

Vers 2:

Hm G A D
Lovely moonlit hours spent - Walking on the beach,
G Em Hm
We'd gaze up at the stars, I swear they were in our reach...
Hm G A D
But time... it went on, Minutes... they ran too fast.
G Em F#
Like you they were gone... Into the past...

Refr.
