Bm(1/2)                      Bm                      G  
What's the matter with you? - The happy feeling's gone  
   Em                                      F#7  
Don't know what's going on - Don't know what to do  
   Bm                                      G  
What is the matter with you? - You never laugh these days  
   Em                                      F#7  
Your smile, it's gone away - I wish you would tell the truth  
   |Bm F#m |Bm F#m  
What is the matter with you?

Em    Bm  
Have I forgotten a promise I made you, one I couldn't keep    (Bridge 1)  
Em    Bm  
Maybe it's something I said, I've been known to talk in my sleep  
Em    Bm  
You've got a stormy cloud hanging above you, wherever you go  
Em    F#7  
I wish you would tell me - The silence is killing, every little thing that we had

   Bm                                      G  
What's the matter with you? - The happy feeling's gone  
   Em                                      F#7  
Don't know what's going on - Oh, I don't know what to do  
   Bm                                      G  
What is the matter with you? - You never laugh these days  
   Em                                      F#7  
Your smile, it's gone away - I wish you would tell the truth  
   |Bm Em |G F#7 |Bm G |D E  
What is the matter with you?

|G                                      F#m    |Bm                                      F#m  
What have I done, if I thought it would help - I'd say sorry in a heartbeat, in a heartbeat    (Bridge 2)  
|G                                      F#m                                      |Bm                                      D  
Down on my knees, praying the Lord - Bring him back to me, back, oh  
|Em    |C#7    F#7  
If you can't tell me, write me a letter - Or call a friend and have them tell me

Bm(1/2)                      Bm                      G  
What's the matter with you? - The happy feeling's gone  
   Em                                      F#7  
Oh, I don't know, what's going on - Yeah, don't know what to do  
   Bm                                      G  
What is the matter with you? - Oh, you never laugh these days  
   Em                                      F#7  
Your smile, it's gone away - I wish you would tell the truth  
   |Bm F#m                                      |Bm F#m  
**What is the matter with you? - Hmm, what's the matter?**  
   |Bm G |D F# (henger)  
**Come on, please, tell me**
