

# Who's That - Elles Bailey

**[Intro]** | **F#m** | | |

**F#m** **F#m** **Bm** **Bm**  
The whisky won't drown my demons, can't drink them all away, Ooooooh, ooooooh  
**F#m** **F#m** **Bm** **Bm**  
Lord please give me my freedom, cuz my mind's locked up in chains, Ooooooh, ooooooh  
**F#m** **F#m**  
I've tried but there's no escaping, got nowhere left to hide  
**Bm** **C#7**  
My soul ain't for the taking, all they wanna do is bleed me dry

## **[Chorus]**

**F#m** **F#m**  
Who's that, staring in the shadows, Who's that, waiting by my door  
**Bm** **C#7**  
Who's that, behind every corner, My mind can't take no more  
**F#m** **F#m**  
Who's that, hear the floor creaking, Who's that, could it be the devil  
**Bm** **C#7** **F#m** | **F#m**  
Or an angel, dressed in black, Lord tell me – who's that?

**F#m** **F#m** **Bm** **Bm**  
If I stand in holy water, can I wash my worries clean, Ooooooh, ooooooh  
**F#m** **F#m** **Bm** **Bm**  
If I'm begging for redemption, Lord will you hear my plea, Ooooooh, ooooooh  
**F#m** **C#7**  
Put my hands on the Holy Bible, so the words put me at ease  
**Bm** **C#7**  
But I keep looking over my shoulder, they're still there waiting for me, tell me

## **[Chorus]**

## **[Bridge]**

**Bm** **F#m** **Bm** **C#7**  
My fears don't want to let go, no, And still I'm empty to the bones, tell me

## **[Chorus]**

## **[Outro]**

**F#m** **F#m** | **F#m**  
Lord, tell me who's that? Oh, tell me who's that?
